## **AM AUCTION NO. 84 MUTUALLY EXCLUSIVE APPLICATIONS DISMISSED FOR FAILING TO FILE OR UNTIMELY FILING OF REQUIRED SETTLEMENT AGREEMENT, ENGINEERING SOLUTION, OR SECTION 307(b) SHOWING**

On June 15, 2005, the Media Bureau released a *Public Notice* containing a list of 802 mutually exclusive AM Auction No. 84 window-filed Form 301 tech box applications.<sup>1</sup> The *Public Notice* defined three categories of mutually exclusive auction applications, detailed the filings required for each mutually exclusive application category, and specified a September 16, 2005, deadline for submitting the required filings to the Commission. This filing deadline was extended to October 31, 2005, because of Hurricane Katrina.<sup>2</sup> Additionally, the *Public Notice* stated that the staff would dismiss, without further processing, the mutually exclusive, window-filed FCC Form 301 tech box application of any applicant included in the June 15, 2005, *Public Notice* for which the required filing was not submitted by the filing deadline.

Category I applicants were required to file a settlement agreement, an engineering solution resolving all mutual exclusivities, or a Section 307(b) showing by the filing deadline. By this *Public Notice*, the Media Bureau announces the dismissal of the AM Auction No. 84 Category I applications listed in Attachment 84-MXD2 to this *Public Notice* for failing to file or untimely filing the required settlement agreement, engineering solution resolving all mutual exclusivities, or Section 307(b) showing.

For additional information, contact Susan Crawford or Ann Gallagher (engineering), Lisa Scanlan or Thomas Nessinger (legal) of the Audio Division at (202) 418-2700.
